The image shows a mobile application interface for solving quadratic equations. At the top, the status bar shows the time 11:42 and various icons. The app title is "Quadratic equation" with a calculator icon. Below the title, there are three input fields labeled "Enter the value of A", "Enter the value of B", and "Enter the value of C". The values entered are 1, 6, and 8 respectively. Below the input fields are two buttons: a red "CLEAN" button and a blue "CALCULATE" button. At the bottom, there is a "RESULT" section with the text "RESULTS OBTAINED" and two lines of output: "Value X1 (-) = -4.0" and "Value X2 (+) = -2.0". The app is running on an Android device, as indicated by the navigation bar at the bottom.

11:42

Quadratic equation

Enter the value of A 1

Enter the value of B 6

Enter the value of C 8

CLEAN

CALCULATE

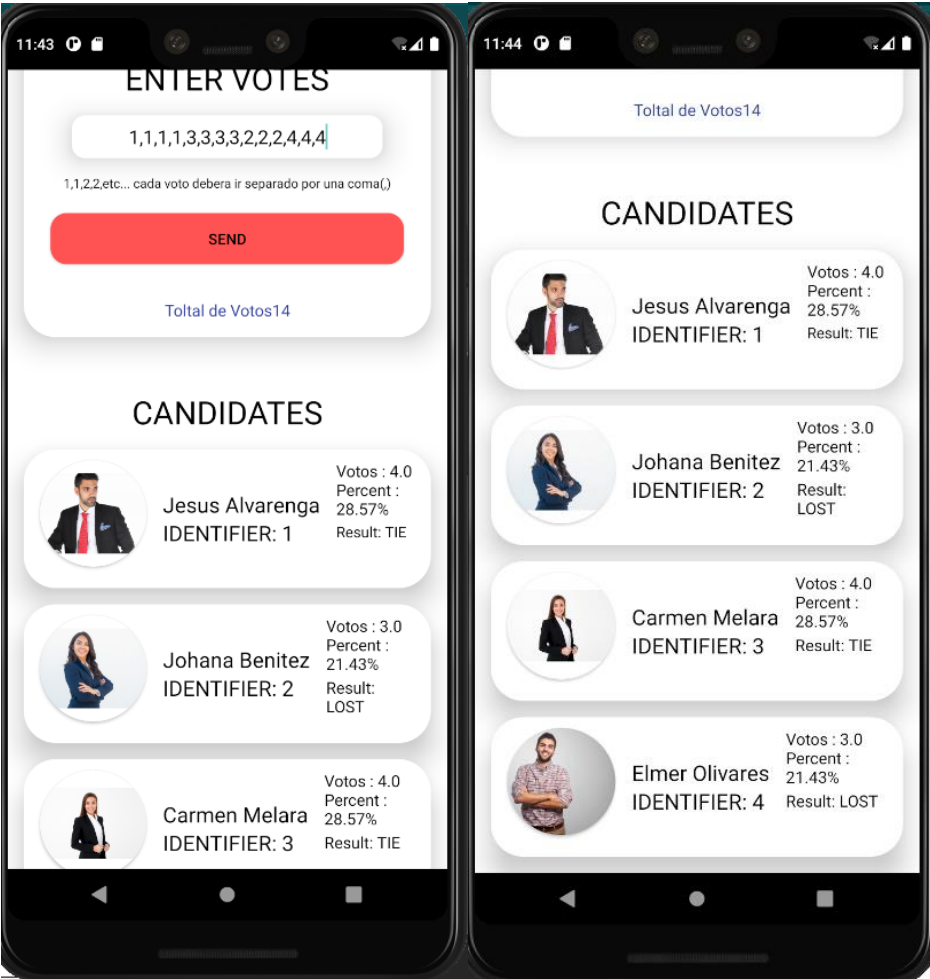

RESULT

RESULTS OBTAINED

Value X1 (-) = -4.0

Value X2 (+) = -2.0
